

中道会合気道国際連盟 CHUDOKAI AIKIDO FEDERATION INTERNATIONAL

Associate Membership

Now you can experience the art of Aikido in a way never before offered. The CAFI Associate Membership is open to anyone in the world, and made especially for past members who have found life – or their joints – to be too demanding. Sign up any day you'd like (you can also give it as a gift) and continue to renew the membership year after year.

As an Associate Member you can:

- ❖ **Attend an exclusive semiannual Aikido training event involving soft, flowing movements with no hard falls or aerobic stress.** After being “on the mat”, Associate Members and Instructors will go “off the mat” to enjoy an after event party.
- ❖ **Train for one month, within your membership year, in any Budo we offer (Aikido, Iaido, Aiki Buki, Karate, or all of them).**
- ❖ **Share your membership with family and friends.** If you're unable to use your one month of Budo training, you can give it to anyone you wish.
- ❖ **Purchase equipment, gear, DVDs, etc. at a discount (CAFI Regular Member price).**
- ❖ **Receive a tax receipt.**
- ❖ **Attend all our activities (Aikido and social) at a discounted rate (if applicable).**
- ❖ **Receive the Chudokai Express Newsletter via email or regular email.** Six times a year, our newsletter will keep you updated on the latest happenings within CAFI (recent promotions, Aikido and social event announcements, etc.) plus plenty of other intelligent, thought provoking martial principle articles.
- ❖ **Connect with us online through our CAFI Google Groups.**

All this, and a few more surprises...

Discover – or rediscover – your Aikido. The CAFI Associate Membership gives you 12 months of the aforementioned benefits for \$100 per year.
